Privacy, seclusion and amazing views await. Escape the city crowds, and live in the peace of this majestic 7-bedroom mountain lodge, in exclusive Sawpit Canyon. Surrounded by National Forest, and only 15 minutes from town, but a world away. Consider this private 5-acre parcel, and all the possibilities: add a horse corral, or use the extra land to put in a helicopter pad. Enjoy the handcrafted woodwork throughout, and the breathtaking panoramic views of Lake Silverwood, and even the southern Sierras on a clear day. There is not another house like this on the mountain.
