Wow! This home is special because it offers not only an amazing location but one level living with the added bonus of a lower level that could be utilized as a separate apartment. The main level has beautiful REAL hardwood throughout. Open floor plan. Split bedrooms. High ceilings. And a primary anyone would love to have...huge bathroom with soaking tub and walk in shower. Double sinks with a vanity. Large walk in closet. The kitchen is bright and features a lot of cabinetry and counter space, as well as, an island. Beautiful quartz counter tops. A pantry.
