Tucked away in nationally renowned Barrio Viejo, is a rare gem where intimate living meets artistic design. This home boasts an incredible sense of volume, anchored by hand-crafted 8' wooden doors that transition between rooms under 12' high ceilings. The kitchen & bathrooms are outfitted with custom cabinetry, quartz countertops & subway tile, offering both beauty & exceptional storage. Built using insulated concrete forms & dual glazed Douglas fir windows, the atmosphere remains quiet and perfectly climate controlled.
